

2010 Cursillo Ecumenical Ultreya

De Colores my Brothers and Sisters!

I am blessed to reflect on the beautiful Ecumenical Ultreya we attended Saturday February 20, 2010 at OLG from 11:30-4PM that brought our fellow Cursillistas from the Episcopalian, Methodist, Lutheran, Kairos and Roman Catholic groups together in unity to reflect on our walk with God and to share in song, praise and each others Love.

We had been working on this blessed event for eight months with my blessed sister from the Episcopalian community Judy Anderson. We re-enlisted from years past Ted Parsons from the Episcopalian faith, to MC the event and his wife Pat helped with directing the musical angels. We had several of our Brothers from the Roman Catholic Faith, Chris Hulburt, Patrick McKay and Chris Chavez do a blessed service to our Lord in sharing their talents.

Chris Hulburt opened with a talk on, "The Road to Emmaus" **Luke 24:13-27** (*the risen Jesus appeared to two disciples who were walking from Jerusalem to Emmaus*), it was a powerful witness talk that made us reflect on this incredible encounter. Chris then talked about his walk with our Lord and we came to discover that he was in formation to become a Deacon. Chris shared his service in working as a spiritual counselor at the San Diego Hospice and shared his encounters serving the Lords people there.

Our musical Angels Patrick McKay and Chris Chavez and the Lords Heavenly Band of Ecumenical Ultreya Angels gave us a little piece of Heaven in singing and glorifying our Lord.

Episcopalian Bishop, Mathes spoke about his many travels serving the Lord and his love for the Cursillo movement.

Charlie Morton from the Kairos group had a blessed talk about his service to the Lord in helping our Brothers in the prison system and was on a recruiting mission looking for men and women to participate in this very important and God Awesome Ministry.

The Scriptural Response was given by Episcopalian Father George Calvert and he summed up the evening by saying we were all blessed to be hand picked by name to serve our Lord.

Father George said to me later that evening, he enjoyed our gathering and it was one of the best he had attended.

Thanks Be to God.

Gods Love.
